DECLARATION

The applicant confirms, acknowledges, and agrees that:

1. The information disclosed in this application is full and complete and believed to be true;
2. any misrepresentation, whether intentional or unintentional, in the information submitted by the applicant in this application form or otherwise in connection with this application will entitle the Distributor to reject the application or to terminate any dealer agreement or letter of intent to enter into a dealer agreement which the company may enter into pursuant to this application, without any liability;
3. The Distributor shall be under no commitment to enter into any dealer agreement as a result of processing this application, unless and until such commitment is established through execution of a formal dealer agreement approved by an officer of the Distributor; and that neither the company nor any other person shall have any responsibility whatsoever for any steps which the applicant may take prior to the issuance of such formal dealer agreement to prepare for the operation of a **(BRAND)** dealership;
4. That nothing said or done by the company or its representatives during the course of investigating and processing the application shall operate as an assurance or representation that a dealer agreement will be entered into pursuant to the application and that any actions the applicant may take in expectation of the application being approved will be taken by the applicant at the applicant's own risk and expense;
5. That in the course of processing this application, it may be necessary for the Distributor to inquire about character, general reputation and credit history of the applicant and its key personnel. Accordingly, this application will serve as authorization by the applicant for the Distributor to conduct its investigation and to indemnify and hold harmless the Distributor against any and all liability, loss, damages or expenses which it may incur by reason of such investigation;
6. That all documents, photographs, etc. furnished by the applicant to the Distributor in the course of this application will be the property and may be retained by the Distributor.
